

Remuneration Report

Introduction

The Company prepares a remuneration report relating to the remuneration of directors. This remuneration report is part of the Corporate Governance Statement, which is a part of the annual report. The remuneration report will be submitted to the annual general shareholders' meeting for approval.

Remuneration policy

Nyrstar's remuneration policy is designed to:

- enable Nyrstar to retain talented persons; and
- promote sustainable business performance.

The remuneration awarded to the members of the Board of Directors and the managers substantially changed following the implementation of the restructuring that was announced by the Company on 15 April 2019 and completed on 31 July 2019 (the "Restructuring").

All members of the Executive Management were employees of Nyrstar Sales & Marketing AG, a legal entity which is part of the operating group that was transferred to NN2 Newco Limited on the Restructuring. Immediately following the Restructuring, the Company no longer had an Executive Management nor any employees.

At the extraordinary shareholders' meeting that was held by the Company on 9 December 2019 to deliberate on the continuation of the Company's activities, the shareholders rejected the continuation of the Company's activities. The Company was therefore due to convene an extraordinary shareholders' meeting to deliberate upon the dissolution of the Company. Certain minority shareholders then initiated summary proceedings on 27 April 2020 at the Antwerp Enterprise Court seeking to have a panel of experts appointed in accordance with Section 7:160 of the Belgian Companies and Associations Code. As a consequence of these summary proceedings, and at the request of the same minority shareholders, the court of Antwerp ruled on 26 June 2020 that the decision on the dissolution of the Company is to be postponed until three months after a final decision will have been rendered in these summary proceedings seeking to have a panel of experts appointed (see <https://www.nyrstar.be/en/investors/restructuring/summary-of-ongoing-proceedings>] for an overview of litigation).

This remuneration report reflects the Company's remuneration practices for the financial year ended on 31 December 2021, having due regard to the Company's exceptional circumstances.

Remuneration policy as of 2021

As the Company was not placed into effective liquidation during 2020, steps were taken to implement a remuneration policy in accordance with article 7:89/1 of the Belgian Code of Companies and Associations. Such remuneration policy was submitted to and approved by the general shareholders' meeting on 29 June 2021 (the "Remuneration Policy"). Nyrstar has not proposed any changes to be reflected in the Remuneration Policy.

In 2019, all members left the Management Committee following the completion of the Restructuring and the Management Committee was dissolved. Immediately following the Restructuring on 31 July 2019, the Company ceased to have any direct employees. Under the terms of the deed for the sale by the Company of assets and shares to NN2 Newco Limited that was executed as part of the Restructuring (the "Sale Deed"), certain limited ongoing executive services are provided to the Company by NN2 Newco Limited. Directors' and other interests

Deferred Shares

In the year 2016 to 2018, the general shareholders' meeting approved that each of the non-executive directors referred to below (the "Eligible Directors") would be remunerated for his or her Director's mandate for the period from the respective general shareholders' meeting until the annual general shareholders' meeting of the following year in the form of "deferred shares units" of the Company, and not in cash, subject to the conditions set out below. The remuneration in shares for each Eligible Director was limited to the portion set out next to his or her name below (the "Eligible Share Remuneration") of the aggregate remuneration that applies to the director's mandate of the relevant Eligible Director in accordance with the principles that have been determined by the annual general shareholders' meeting of the Company held on 27 April 2011 and that otherwise would have been payable in cash (the "Eligible Remuneration"). The shares will not vest immediately, but will effectively vest and be delivered on the earlier of (i) the end of the Director's mandate as an Eligible Director, or (ii) a change of control over the Company. The shares are granted for free (i.e. for no additional consideration). Under the terms of the deferred shares units, the number of shares to be granted to an Eligible Director shall be equal to (i) the amount of the Eligible Remuneration that would otherwise have been paid in cash, divided by (ii) the average closing price of the Company's shares during the ten trading days preceding the date of the respective general shareholders' meeting that approved each grant, whereby the result is rounded down to the nearest whole number.

The current Eligible Directors and their respective Eligible Share Remuneration that have been paid in deferred shares are as follows: (i) Ms. Anne Fahy: EUR 10,000 of her Eligible Remuneration; (ii) Ms. Carole Cable: 50% of her Eligible Remuneration; and (iii) Mr. Martyn Konig: 100% of his Eligible Remuneration. The Company's Nomination and Remuneration Committee was authorised to further document the grant and to determine the terms and conditions of the grant, which contain customary adjustment clauses to take into account and mitigate the effect of corporate actions, dilutive transactions and similar events, such as (but not limited to) stock splits, reverse stock splits, mergers and de-mergers, dividend payments, other distributions on shares, rights offerings, and share buy-backs.

The Board did not propose a remuneration in deferred share units of the Company for the non-executive directors at the annual general shareholders' meetings of the Company that were held on 29 June 2021.

The Company did not grant any Deferred Share Units to its Directors in 2021. In the period 2016 to 2019, Deferred Share Units were granted to certain directors as approved by the respective AGMs in 2016 to 2018. The 2016, 2017 and 2018 AGM granted the following Deferred Share Units to directors:

	AGM 2016	AGM 2017	AGM 2018 for year 2018	AGM 2018 for year 2019	Total
