9. Share based remuneration for non-executive Directors

The Board of Directors believes that granting the non-executive Directors the opportunity to be remunerated in whole or in part in deferred shares of the Company rather than in cash enables the non-executive Directors to link their effective remuneration to the future performance of Nyrstar and to strengthen the alignment of their interests with the interests of the Company's shareholders. In view hereof, taking into account the advice of the Nomination and Remuneration Committee, and taking into account the decision of last year's annual

general shareholders' meeting, the Board of Directors submits the following resolution for approval by the general shareholders' meeting.

Proposed resolution: The general shareholders' meeting approves that each of the non-executive Directors referred to below (the "Eligible Directors") will be remunerated for his or her Director's mandate for the period as of this general shareholders' meeting until the annual general shareholders' meeting of 2019 in the form of "deferred shares units" of the Company, and not in cash, subject to the conditions set out below. The remuneration in shares shall for each Eligible Director be limited to the portion set out next to his or her name below (the "Eligible Share Remuneration") of the aggregate remuneration that applies to the Director's mandate of the relevant Eligible Director in accordance with the principles that have been determined by the annual general shareholders' meeting of the Company held on 27 April 2011, as amended and supplemented from time to time and that otherwise would have been payable in cash (the "Eligible Remuneration"). The shares will not vest immediately, but will effectively vest and be delivered on the earlier of (i) the end of the Director's mandate of the Eligible Director, and (ii) a change of control over the Company. The shares are granted for free (i.e. for no additional consideration). The number of shares to be granted to an Eligible Director shall be equal to (i) the amount of the Eligible Share Remuneration that would otherwise have been paid in cash (save for this decision by the general shareholders' meeting), divided by (ii) the average closing price of the Company's shares during the ten trading days preceding the date of this general shareholders' meeting, whereby the result is rounded down to the nearest whole number. Subject to applicable legal provisions, the shares can also be issued in consideration of a contribution in kind of the relevant Eligible Remuneration. The Eligible Directors and their respective Eligible Share Remuneration that will be payable in deferred shares units are as follows: (i) Ms. Anne Fahy: EUR 10,000 of her Eligible Remuneration; (ii) Ms. Carole Cable: 50% of her Eligible Remuneration; (iii) Mr. Martyn Konig: 100% of his Eligible Remuneration; and (iv) Mr. Christopher Cox: 100% of his Eligible Remuneration. The general shareholders' meeting approves that the shares can be definitively and fully acquired by an Eligible Director prior to the end of the third year referred to in Article 520ter of the Belgian Companies Code. The general shareholders' meeting also approves, as far as needed and applicable in accordance with Article 556 of the Belgian Companies Code, that the shares can be delivered upon the occurrence of a change of control over the Company. As far as needed and applicable, the general shareholders' meeting acknowledges that the shares shall not be considered as "variable remuneration", nor as "fixed remuneration", pursuant to the Belgian Companies Code (such as Articles 96, 520bis, 520ter, 524bis, 525, 526quater and 554 (as applicable) of the Belgian Companies Code) and equivalent or similar provisions of the Belgian Corporate Governance Code of 12 March 2009, and Provision 7.7 of the Belgian Corporate Governance Code of 12 March 2009. The Company's Nomination and Remuneration Committee shall be authorised to further document the grant and, subject to the aforementioned provisions, to determine the terms and conditions of the grant, which shall contain customary adjustment clauses to take into account and mitigate the effect of corporate actions, dilutive transactions and similar events, such as (but not limited to) stock splits, reverse stock splits, mergers and de-mergers, dividend payments, other distributions on shares, rights offerings, and share buy-backs. The general shareholders' meeting further grants a special power of attorney to each Director of the Company and the Company Secretary, acting singly and with the power of substitution, to perform the formalities required by Article 556 of the Belgian Companies Code with respect to this resolution.

10. Approval of the possibility to pay out Annual Incentive Plan entitlements in shares

Proposed resolution: The general shareholders' meeting grants the Board of Directors the power to pay out entitlements to beneficiaries (including members of the Nyrstar Management Committee and Directors of the Company, where applicable) under the Annual Incentive Plan ("AIP") in relation to the performance by such beneficiaries during the years 2018, 2019 and 2020, in whole or in part, and directly or indirectly, in the form of shares of the Company instead of cash, subject to the following terms: (a) up to the maximum AIP entitlement in relation to a performance year can be paid in the form of shares instead of cash; (b) the shares to be delivered as payment of an AIP entitlement are granted for no additional consideration payable by the beneficiary concerned; (c) the shares to be delivered as payment of an AIP entitlement in relation to a relevant performance year will be delivered in

the first or second year following the relevant performance year (or on such other time as the Board of Directors shall determine), and subject to such additional conditions as the Board of Directors may determine as the case may be (such as, but not exclusively, the condition (which may be waived by the Board of Directors) that the beneficiary is still employed by the Company or its subsidiaries at that time). Subject to applicable legal provisions, the Board of Directors can decide that the shares to be delivered in accordance with the foregoing rules can be existing shares and/or new shares to be issued in consideration of a contribution in kind of a receivable with respect to the relevant entitlements concerned. The general shareholders' meeting approves that the shares that are delivered as pay out of an entitlement under the AIP as aforementioned can be definitively and fully acquired by a beneficiary concerned prior to the end of the third year referred to in Article 520ter of the Belgian Companies Code. Subject to the foregoing, the Board of Directors can further document and determine the terms and conditions of the delivery of shares to the beneficiaries (including, but not limited to, the number of shares to be delivered).

- (b) No cancellation of existing shares: The aforementioned reduction of issue premiums shall occur without cancellation of existing shares of the Company and shall be borne by each of the existing shares in the same manner.

2. Special report

Submission of the special report of the Board of Directors in accordance with Article 604 of the Belgian Companies Code in relation to the proposal to grant powers to the Board of Directors under the authorised capital of the Company, as set out below in item 3 of the agenda of the extraordinary general shareholders' meeting.

3. Grant of powers to the Board of Directors under the authorised capital

In order to allow the Board of Directors the flexibility to raise additional equity based financing as and when the need may arise or an opportunity would present itself, the Board of Directors proposes that it again be granted limited powers under the authorised capital to increase the Company's share capital by a maximum amount of 30% during a term of three (3) years, all as further set out below. For further information regarding the circumstances in which the Board of Directors could make use of the authorised capital and the objectives that the Board of Directors would pursue with the authorised capital, see also the special report referred to in item 2 of the agenda of the extraordinary general shareholders' meeting.

Proposed resolution: The general shareholders' meeting resolves that the Board of Directors shall be authorised to increase the share capital of the Company on one or several occasions by a maximum aggregate amount of 30% of the amount of the share capital as at the time of the approval of the resolution. This authorisation shall be valid for a period of three (3) years as from the date of publication in the annexes to the Belgian Official Gazette of an extract of the minutes of the extraordinary general shareholders' meeting granting the authorisation. The Board of Directors shall be able to restrict or cancel the preferential subscription rights of the shareholders, subject, however, to the limitations set out in the Belgian Companies Code. Accordingly, Article 9 of the Company's Articles of Association shall be amended and restated as follows (whereby the amount and date referred to in the sub-sections between square brackets shall be determined at the time of the approval of the proposed resolution in accordance with the proposal set out in such sub-sections):

"The board of directors may increase the share capital of the company on one or several occasions by a maximum amount of [30% of the amount of the share capital as at the time of the approval of the proposed resolution].

Within the framework of the authorised capital, the board of directors may increase the share capital by contributions in cash or in kind, and/or by capitalisation of reserves, whether available or unavailable for distribution, with or without the issuance of new shares (including issuance of new shares reserved to employees of the company and its subsidiaries only). The board of directors may use this authorisation for the issuance of the securities mentioned in article 11 below.

In the event of a capital increase decided by the board of directors pursuant to the authorised capital, all issue premiums booked, if any, will be accounted for on the liabilities side of the company's balance sheet under the net equity. The account on which the issue premiums are booked shall, like the share capital, serve as the guarantee for third parties and can only be reduced on the basis of a lawful resolution of the general shareholders' meeting passed in the manner required for an amendment to the company's articles of association.

When exercising its powers under the authorised capital, the board of directors shall be authorised to effect the transaction with application of the statutory preferential subscription rights of the shareholders (within the meaning of article 592 and following of the Belgian Companies Code). Subject to applicable company, financial and securities law rules, the board of directors shall also be authorised to restrict or cancel the statutory preferential subscription rights of the company's shareholders in accordance with the provisions of article 596 of the Belgian Companies Code for the purpose of (a) a transaction with non-statutory preferential subscription rights for the existing shareholders, (b) a transaction in which the statutory preferential subscription rights are restricted or cancelled for the benefit of one or more categories or classes of investors and/or shareholders, including (but not limited to) (i) professional, institutional or qualified investors, (ii) directors, employees, personnel and/or service providers of the company and its subsidiaries, and/or (iii) shareholders and/or investors located in one or more geographical areas, and (c) (public or non-public) offerings of securities in certain selected jurisdictions only, to be determined by the board of directors. When restricting or cancelling the statutory preferential subscription right of the company's shareholders, the board of directors shall have the ability (but not the obligation) to provide for a priority allocation to the existing shareholders with respect to all or a portion of the transaction. Unless expressly permitted as aforementioned, the board of directors shall not be authorised to restrict or cancel the statutory preferential subscription right for the benefit of a specifically named investor or shareholder in accordance with the provisions of article 598 of the Belgian Companies Code.

The authorisation of the board of directors as set out in this article 9 is valid for a period of three (3) years as from the date of publication in the Annexes to the Belgian Official Gazette of an extract of the minutes of the extraordinary general shareholders' meeting of the company held on [the date of the approval of the proposed resolution]."

4. Technical amendment to the articles of association

Proposed resolution: The general shareholders' meeting decides to restate the last sentence of the penultimate paragraph of article 19 of the Company's articles of association as follows: "A director can represent more than one of his or her colleagues."

Quorum: According to the Belgian Companies Code, a quorum of at least 50% of the outstanding shares must be present or represented at the extraordinary general shareholders' meeting for the deliberation and voting on the respective items referred to in the aforementioned agenda of the extraordinary general shareholders' meeting. If such quorum is not reached, a second extraordinary general shareholders' meeting will be convened for these agenda items, unless, as the case may be, decided otherwise on behalf of the Board of Directors, and the quorum requirement will not apply to the second meeting.

Voting and majority: Subject to applicable legal provisions, each share shall have one vote. In accordance with applicable law, the proposed resolutions referred to in the aforementioned agenda of the extraordinary general shareholders' meeting shall be passed if they are approved by a majority of 75% of the votes validly cast by the shareholders. Pursuant to Article 537 of the Belgian Companies Code, the holders of bonds have the right to attend the general meeting, but only with an advisory vote.
