AGENDA

Agenda and proposed resolutions: The agenda and proposed resolutions of the extraordinary general shareholders' meeting of the Company, which, as the case may be, can be amended at the meeting on behalf of the Board of Directors, are as follows:

1. Absorption of losses through a decrease of issue premiums

Proposed resolution: The general shareholders' meeting resolves to absorb existing losses of the Company in an amount of EUR 15,649,821.00, and resolves, in implementation hereof, as follows:

- (a) Reduction of issue premiums: Existing losses incurred by the Company in an amount of EUR 15,649,821.00 (as appear from the statutory (non-consolidated) financial statements for the financial year ended on 31 December 2017) shall be

absorbed in their entirety by reducing the issue premiums of the Company with an amount of EUR 15,649,821.00 in total so that the issue premiums will be reduced from EUR 1,228,124,430.00 to EUR 1,212,474,609.00. This reduction of issue premiums will be imputed in priority on any amounts included in the issue premiums accounts that do not qualify as fiscally paid-in capital (or assimilated thereto).

- (b) No cancellation of existing shares: The aforementioned reduction of issue premiums shall occur without cancellation of existing shares of the Company and shall be borne by each of the existing shares in the same manner.

2. Special report

Submission of the special report of the Board of Directors in accordance with Article 604 of the Belgian Companies Code in relation to the proposal to grant powers to the Board of Directors under the authorised capital of the Company, as set out in item 3 of the agenda of the extraordinary general shareholders' meeting.

3. Grant of powers to the Board of Directors under the authorised capital

In order to allow the Board of Directors the flexibility to raise additional equity based financing as and when the need may arise or an opportunity would present itself, the Board of Directors proposes that it again be granted limited powers under the authorised capital to increase the Company's share capital by a maximum amount of 30% during a term of three (3) years, all as further set out below. For further information regarding the circumstances in which the Board of Directors could make use of the authorised capital and the objectives that the Board of Directors would pursue with the authorised capital, see also the special report referred to in item 2 of the agenda of the extraordinary general shareholders' meeting.

Proposed resolution: The general shareholders' meeting resolves that the Board of Directors shall be authorised to increase the share capital of the Company on one or several occasions by a maximum aggregate amount of 30% of the amount of the share capital as at the time of the approval of the resolution. This authorisation shall be valid for a period of three (3) years as from the date of publication in the annexes to the Belgian Official Gazette of an extract of the minutes of the extraordinary general shareholders' meeting granting the authorisation. The Board of Directors shall be able to restrict or cancel the preferential subscription rights of the shareholders, subject, however, to the limitations set out in the Belgian Companies Code. Accordingly, Article 9 of the Company's Articles of Association shall be amended and restated as follows (whereby the amount and date referred to in the sub-sections between square brackets shall be determined at the time of the approval of the proposed resolution in accordance with the proposal set out in such sub-sections):

"The board of directors may increase the share capital of the company on one or several occasions by a maximum amount of [30% of the amount of the share capital as at the time of the approval of the proposed resolution].

Within the framework of the authorised capital, the board of directors may increase the share capital by contributions in cash or in kind, and/or by capitalisation of reserves, whether available or unavailable for distribution, with or without the issuance of new

shares (including issuance of new shares reserved to employees of the company and its subsidiaries only). The board of directors may use this authorisation for the issuance of the securities mentioned in article 11 below.

In the event of a capital increase decided by the board of directors pursuant to the authorised capital, all issue premiums booked, if any, will be accounted for on the liabilities side of the company's balance sheet under the net equity. The account on which the issue premiums are booked shall, like the share capital, serve as the guarantee for third parties and can only be reduced on the basis of a lawful resolution of the general shareholders' meeting passed in the manner required for an amendment to the company's articles of association.

When exercising its powers under the authorised capital, the board of directors shall be authorised to effect the transaction with application of the statutory preferential subscription rights of the shareholders (within the meaning of article 592 and following of the Belgian Companies Code). Subject to applicable company, financial and securities law rules, the board of directors shall also be authorised to restrict or cancel the statutory preferential subscription rights of the company's shareholders in accordance with the provisions of article 596 of the Belgian Companies Code for the purpose of (a) a transaction with non-statutory preferential subscription rights for the existing shareholders, (b) a transaction in which the statutory preferential subscription rights are restricted or cancelled for the benefit of one or more categories or classes of investors and/or shareholders, including (but not limited to) (i) professional, institutional or qualified investors, (ii) directors, employees, personnel and/or service providers of the company and its subsidiaries, and/or (iii) shareholders and/or investors located in one or more geographical areas, and (c) (public or non-public) offerings of securities in certain selected jurisdictions only, to be determined by the board of directors. When restricting or cancelling the statutory preferential subscription right of the company's shareholders, the board of directors shall have the ability (but not the obligation) to provide for a priority allocation to the existing shareholders with respect to all or a portion of the transaction. Unless expressly permitted as aforementioned, the board of directors shall not be authorised to restrict or cancel the statutory preferential subscription right for the benefit of a specifically named investor or shareholder in accordance with the provisions of article 598 of the Belgian Companies Code.

The authorisation of the board of directors as set out in this article 9 is valid for a period of three (3) years as from the date of publication in the Annexes to the Belgian Official Gazette of an extract of the minutes of the extraordinary general shareholders' meeting of the company held on *[the date of the approval of the proposed resolution]*."
