GENERAL MEETING

Agenda and proposed resolutions: The agenda and proposed resolutions of the general shareholders' meeting of the Company, which, as the case may be, can be amended at the meeting on behalf of the Board of Directors, are as follows:

1. Postponement of the general shareholders' meeting and addition of the agenda items to the agenda of the annual shareholders' meeting

On 11 May 2020, the Company received a request pursuant to Article 7:130 of the Belgian Code of Companies and Associations from RSQ Investors (a division of Quanteus Group bv), Kris Vansanten bv, Evelyne Van Wassenhove, E3V & Partners bv, shareholders jointly owning 6.8% of the outstanding shares of the Company, to add the current additional item and proposed resolution, as set out below, to the agenda of the meeting.

“Explanation: On 2 March 2020, the shareholders requested to add the following agenda item to the agenda of the first extraordinary shareholders' meeting of 25 March 2020, in accordance with Article 7:130 BCCA: “Liability claim against the directors and former directors of the Company for errors committed in 2019 and 2020”. The board of directors misapplied this shareholders' request by convening a general meeting with this agenda item, without respecting the notice period. Since the board of directors is now convening another separate general meeting for this agenda item (which presents an additional threshold for participation now that the shareholders have to explicitly sign up for the shareholders' meeting), contrary to the shareholders' request, the shareholders propose to postpone this shareholders' meeting and to add this agenda item and the agenda item that will be added, to the agenda of the annual general shareholders' meeting.

Moreover, this shareholders' meeting must be postponed because the shareholders' meeting of 2 June 2020 will not allow a discussion among the shareholders and between the shareholders and the board of directors, as the board of directors has flagrantly abused the exceptional situation due to the Corona epidemic, in order to prohibit physical attendance at the shareholders' meeting and thus make any discussion impossible. A postponement for this reason is also necessary because a group of minority shareholders has in the meantime launched summary proceedings before the President of the Antwerp Enterprise Court, Antwerp Division, to appoint a company law expert with the task of investigating a.o. the restructuring.

Finally, the shareholders cannot make an informed decision on the dissolution of the company before the board of directors has adopted consolidated financial statements up to 31 July 2019, has had these consolidated financial statements audited by the statutory auditor and these consolidated financial statements have been approved by the general meeting of shareholders at the annual general shareholders' meeting. This extraordinary general meeting must therefore also be postponed at least until then.

Proposed resolution: The general shareholders' meeting decides to postpone the general meeting of 2 June 2020 and to add it to the annual general shareholders' meeting which, according to the articles of association, should be held on the last Tuesday of June.”

2. Liability claim against the directors and former directors of the Company for errors committed in 2019 and 2020

The outcome of the first proposed resolution of this agenda item 2 will be disregarded if the second proposed resolution of this agenda item is approved by a simple majority of the votes validly cast by the shareholders.

On 2 March 2020 the Company received a request pursuant to article 7:130 of the Belgian Code of Companies and Associations from Kris Vansanten, Evelyne Van Wassenhove, Kris Vansanten BV, E3V & Partners BV and Quanteus Group BV, shareholders holding jointly 5.69% of the outstanding shares of the Company, to add the present additional item and the proposed resolution set out below to the agenda of the general shareholders' meeting.

Proposed resolution: The general shareholders' meeting decides to hold the current and former directors of the Company liable for errors committed in the financial years 2019 and 2020.

FIRST EXTRAORDINARY GENERAL MEETING

Agenda and proposed resolutions: The agenda and proposed resolutions of the first extraordinary general shareholders' meeting of the Company, which, as the case may be, can be amended at the meeting on behalf of the Board of Directors, are as follows:

1. (Withdrawn agenda item)

As the first extraordinary general shareholders' meeting can only be held on a later date than originally provided (as explained above in this invitation (i.e. in the notice convening the meeting)), the first agenda item relating to the change of the date of the annual shareholders' meeting that was included in the original invitation of 24 February 2020 and is now no longer relevant, is withdrawn.

2. Change of the company name

In accordance with the Deed for the sale and purchase of shares and assets held by the Company entered into between the Company as Seller and NN2 Newco Limited as Purchaser of 19 June 2019 (the “NNV-NN2 SPA”), the Company is held to change its name to a name that does not include “Nyrstar” at the annual general meeting to be held in 2020 at which the Company’s FY19 accounts will be tabled. In view of the proposed amendment of the date of the annual general meeting and the corresponding amendment to the Company’s Articles of Association under agenda item 1, the Board of Directors therefore proposes to, at the same occasion, change the name of the Company to “NYR Holding” and to amend the company name in the Articles of Association of the Company accordingly.

Proposed resolution: The general shareholders’ meeting approves the name change of the Company to “NYR Holding” and accordingly decides to amend the second sentence of the first paragraph of Article 1 of the Company’s Articles of Association as follows: “It carries the name “NYR Holding”.”

3. Amendment Articles of Association to the BCCA and other new relevant laws

Pursuant to Article 39, §1, first paragraph, and §2 of the Law of 23 March 2019 introducing the Belgian Code of Companies and Associations and containing various provisions, as from 1 January 2020, the Company is subject by operation of law to the provisions of the new Belgian Code of Companies and Associations (“BCCA”) and furthermore, in accordance with Article 39, §1, third paragraph, of the aforementioned law, the Company is legally obliged to align its Articles of Association with the provisions of the BCCA on the occasion of the first amendment of the Articles of Association after 1 January 2020.

The Board of Directors therefore proposes, following the amendment to the Articles of Association proposed in the previous agenda item, to bring the Articles of Association of the Company, both substantially and terminologically, fully in line with the BCCA while retaining the legal form of a listed public limited liability company with a classic one-tier board structure and without amending the object (voorwerp) (i.e. the former purpose (doel)) subject to terminological changes. The Board of Directors also proposes, where necessary, to amend the Articles of Association of the Company in accordance with the law of 13 April 2019 introducing a Belgian Civil Code and inserting Book 8 “Evidence” in that code, which will enter into force on 1 November 2020.

Proposed resolution: The general shareholders’ meeting decides to amend and restate the Company’s Articles of Association in its entirety and to adopt a new text of the Articles of Association in accordance with the provisions of the BCCA for a listed public limited liability company with a classic one-tier board structure and in particular taking into account the amendments to the existing Articles of Association as set out below, article-by-article, as well as taking into account the other recent relevant legislative amendments to the Belgian Civil Code. Accordingly, the following amendments are made to the existing coordinated Articles of Association article-by-article:

(a) In Article 1 (‘Legal form – Name’), the second paragraph (“The company is a company making or having made public offerings.”) shall be deleted in its entirety.

(b) In Article 2 ('Registered Office'), first paragraph, the part "at Zinkstraat 1, 2490 Balen" is replaced by "in the Flemish Region".

(c) Throughout the Articles of Association, the term "purpose" is replaced by the new term "object" (i.e. in the title of Article 3, in the first paragraph and twice in the last paragraph of the same Article 3 and in the first paragraph of Article 21).

(d) Throughout the Articles of Association, the term "warrants" is replaced by the new term "subscription rights" (i.e. in Article 3, in the second bullet point under the first paragraph, in the title of Article 11 and in the second and last paragraphs of the same Article 11, and in Article 25.4).

(e) Throughout the Articles of Association, the term "social" is deleted (i.e. in the title of Chapter II, in the title of Article 5 and in the first and second paragraphs of the same Article 5, in Article 7, in the first, second and third paragraphs of Article 9, in the third paragraph of Article 18, in the second paragraph of Article 28 and in the first paragraph of Article 33).

(f) Throughout the Articles of Association, all references to the old Belgian Companies Code and its provisions are replaced by a reference to the new Belgian Code of Companies and Associations and, where applicable, its corresponding applicable provisions. Accordingly, the following amendments are made: in the fourth paragraph of Article 9, replace "Article 592 et seq. of the Belgian Companies Code" by "Article 7:188 et seq. of the Belgian Code of Companies and Associations", "Article 596 of the Belgian Companies Code" by "Article 7:191 of the Belgian Code of Companies and Associations" and "Article 598 of the Belgian Companies Code" by "Article 7:193 of the Belgian Code of Companies and Associations"; in the last paragraph of Article 10 replace "Article 596 and, if applicable, Article 598 of the Belgian Companies Code" by "Article 7:191 and, if applicable, Article 7:193 of the Belgian Code of Companies and Associations"; in the third paragraph of Article 11 replace "Belgian Companies Code" with " Belgian Code of Companies and Associations"; in the first paragraph of Article 13 replace "Article 620 et seq. of the Belgian Companies Code" with "Article 7:215 et seq. of the Belgian Code of Companies and Associations" and "Article 627 of the Belgian Companies Code" with "Article 7:221 of the Belgian Code of Companies and Associations" and in the second paragraph of the same article 13 replace "Article 622, §2 of the Belgian Companies Code" with "Article 7:218 of the Belgian Code of Companies and Associations" and "Article 627 of the Belgian Companies Code" with "Article 7:221 of the Belgian Code of Companies and Associations"; in the last paragraph of Article 24 and in Article 25.2 replacement of "Belgian Companies Code" by "Belgian Code of Companies and Associations"; in the second paragraph of article 25.3 replace "Article 533 of the Belgian Companies Code" by "Article 7:128 of the Belgian Code of Companies and Associations"; in the last paragraph of Article 32 replacement of "Articles 95 and 96 of the Belgian Companies Code" by "Articles 3:5 and 3:6 of the Belgian Code of Companies and Associations"; and in the last paragraph of Article 34 replacement of "Articles 617 and 618 of the Belgian Companies Code" by "Article 7:213 of the Belgian Code of Companies and Associations".

(g) In Article 14 ("Indivisibility"), the second paragraph ("Both co-owners and pledgees and pledgors and bare owners and usufructuaries must be represented by a single person.") is deleted in its entirety and the following new paragraph is added at the end of the same Article 14: "If shares or securities were divided into bare ownership and usufruct, the usufructuary shall exercise all the rights attached to those shares or securities, unless this is derogated from in a will or an agreement and notified as such to the company".

(h) In Article 16 ('Composition of the board of directors'), the fourth paragraph is supplemented to read as follows (underlining is added): "The mandate of resigning directors that are not reappointed shall end immediately after the annual general meeting in the financial year in which their mandate expires in accordance with the appointment decision."

- (i) In Article 18 ('Meetings'), the last paragraph is replaced in full by the following: "The decisions of the board of directors may be taken by unanimous written decision of all directors."
- (j) In Article 21 ('Powers') relating to the board of directors, the second paragraph is entirely replaced by the following: "Subject to applicable law, the company may, acting through the board of directors, enter into indemnity arrangements with the directors and take out insurance policies to cover the liability of its directors and appointees."
- (k) In Article 23 ('Powers - Types - Date - Place') concerning the general shareholders' meeting, the last paragraph is replaced in its entirety by the following: "The board of directors is obliged to convene the general meeting within three weeks when shareholders representing one tenth of the capital so request, with at least the items on the agenda proposed by the shareholders concerned."
- (l) In the third paragraph of Article 25.3 ('Admission formalities'), the words "bearer shares in book-entry form and" shall be deleted.
- (m) In Article 25.4 ('Other securities'), the terms 'profit certificates' and 'bonds' are replaced by the new terms "non-voting profit certificates" and "convertible debt securities" respectively.

SECOND EXTRAORDINARY GENERAL MEETING

Agenda and proposed resolutions: The agenda and proposed resolutions of the second extraordinary general shareholders' meeting of the Company, which, as the case may be, can be amended at the meeting on behalf of the Board of Directors, are as follows:

1. Postponement of the extraordinary general meeting of Nyrstar nv

On 11 May 2020, the Company received a request pursuant to Article 7:130 of the Belgian Code of Companies and Associations from RSQ Investors (a division of Quanteus Group bv), Kris Vansanten bv, Evelyne Van Wassenhove, E3V & Partners bv, shareholders jointly owning 6.8% of the outstanding shares of the Company, to add the current additional item and proposed resolution, as set out below, to the agenda of the meeting.

“Explanation: The board of directors has decided to reconvene the extraordinary shareholders’ meeting with the dissolution of the company on the agenda during the Corona epidemic, where it had postponed the previous extraordinary shareholders’ meeting a.o. by referring to the request of shareholders to that effect. The board of directors abuses the Corona measures to prohibit physical presence at the general meeting and obliges shareholders to vote by mail in advance or by proxy. This makes any discussion on the dissolution or restructuring of the company among the shareholders and between the shareholders and the board of directors impossible. This is completely unacceptable for a decision of the general meeting of shareholders that has such far-reaching consequences as the dissolution of the company. This is a flagrant violation of the interests of the shareholders. For that reason alone, this extraordinary general meeting must be postponed until physical attendance at a general shareholders’ meeting is again possible and/or an actual discussion on the dissolution is possible.

In addition, this extraordinary general meeting should be postponed because a group of minority shareholders has in the meantime launched summary proceedings with the President of the Antwerp Enterprise Court, Antwerp Division, to appoint a company law expert with the task of investigating a.o. the restructuring. The shareholders cannot be expected to make an informed decision on the dissolution of the company before there is a final decision on the appointment of such expert, which has the authority of res judicata. Finally, the shareholders cannot make an informed decision on the dissolution of the company before the board of directors has adopted consolidated financial statements up to 31 July 2019, has had these consolidated financial statements audited by the statutory auditor and these consolidated financial statements have been approved by the general shareholders’ meeting at the annual meeting. This extraordinary general meeting must therefore also be postponed at least until then.

Proposed resolution: The general shareholders' meeting decides to postpone the extraordinary general meeting on the voluntary dissolution of the Company until the following conditions are met: i) physical attendance at the general meeting is possible and/or an actual discussion can be organised at the general meeting; ii) the consolidated annual financial statements audited by the statutory auditor have been approved until the date of closing of the restructuring on 31 July 2019; and iii) a final decision with the authority of res judicata on the appointment of a company law expert is available."

2. Special reports

As the second extraordinary general meeting can only be held on a later date than originally provided (as explained above in this invitation (i.e. in the notice convening the meeting)), the Board of Directors has prepared a more recent statement of assets and liabilities. Thus, the originally prepared statement of assets and liabilities as at 31 January 2020 has been replaced by the new statement of assets and liabilities mentioned below in this agenda item, which is attached to a new, more recent report of the Board of Directors and for which the statutory auditor has prepared a new, more recent report in replacement of his original report mentioned in the notice convening the meeting scheduled on 25 March 2020.

2.1. Submission of the special report of the Board of Directors in accordance with Article 2:71, §2, first paragraph of the Belgian Code of Companies and Associations in relation to the proposal to approve the dissolution and liquidation of the Company, as set out below in item 2 of the agenda, to which a statement of assets and liabilities of the Company is attached as at 31 March 2020.

2.2. Submission of the report of statutory auditor in accordance with Article 2:71, §2, third paragraph of the Belgian Code of Companies and Associations in relation to the above-mentioned under 1.1. statement of assets and liabilities attached to the special report of the Board of Directors.

This agenda item does not require a vote.

3. Voluntary dissolution of the Company

The outcome of the first proposed resolution of this agenda item 3 will be disregarded if the second proposed resolution of this agenda item is approved by a simple majority of the votes validly cast by the shareholders, provided that the quorum requirement set out in the invitation to this second extraordinary general meeting is reached.

On 9 December 2019, the Company held an extraordinary shareholders' meeting to deliberate on the continuation of the Company's activities and a proposed formal capital decrease in accordance with article 633 of the former Belgian Companies Code in the framework of the alarm bell procedure. Such extraordinary shareholders' meeting did not approve the continuation of the Company's activities nor the formal capital decrease.

In order to implement the decisions taken by the extraordinary general shareholders' meeting of 9 December 2019 in the framework of the application of the alarm bell procedure in accordance with article 633 of the former Belgian Companies Code, the Board of Directors proposes, in application of Article 2:71 of the Belgian Code of

Companies and Associations, to deliberate and resolve upon the voluntary dissolution and liquidation of the Company. For more information on the proposal of the Board of Directors to voluntarily dissolve and liquidate the Company, reference is also made to the special report of the Board of Directors referred to in item 1.1 of the agenda above.

Proposed resolution: The general shareholders' meeting resolves to approve the proposal of voluntary dissolution set out in the special report of the Board of Directors, prepared in accordance with Article 2:71, §2, first paragraph of the Belgian Code of Companies and Associations, to therefore dissolve and liquidate the Company with immediate effect as a result of which the current financial year is closed on the same date. From this moment on, the Company shall be deemed to continue to exist for its liquidation until the closure thereof.

“Proposed resolution: The general shareholders' meeting decides to postpone the decision on the dissolution of the company until the following conditions are met: i) physical attendance at the general meeting is possible and/or an actual discussion can be organised at the general meeting; ii) the consolidated annual financial statements audited by the statutory auditor have been approved until the date of closing of the restructuring on 31 July 2019; and iii) a final decision with the authority of res judicata on the appointment of a company law expert is available.”

4. Acknowledgement end of mandate of the directors

In the event of approval of the voluntary dissolution referred to in agenda item 2 above, the mandate of all Directors of the Company will automatically terminate. The Board of Directors therefore proposes to do the necessary acknowledgments in this respect in order to be able to also establish administratively the termination of the current director mandates.

Proposed resolution: The general shareholders' meeting acknowledges that as a result of the decision of dissolution, the mandate of all Directors in office in the Company, i.e. the director mandates of Mr. Martyn Konig, Ms. Anne Fahy, Ms. Carle Cable and Ms. Jane Moriarty, ends at the same time.

5. Appointment of a liquidator and determination of powers and remuneration

In case of approval of the voluntary dissolution in agenda item 2 above, a liquidator must be appointed and the powers of the liquidator and his remuneration will be determined. The Board of Directors therefore proposes the appointment of Janson Baugniet CVBA (RPR Brussels, French-speaking business court 0432.711.951), with Dominique Blommaert (whose curriculum vitae is included in the explanatory note to this agenda) as permanent representative, as liquidator of the Company.

Proposed resolution: The general shareholders' meeting resolves to approve the appointment of Janson Baugniet CVBA (RPR Brussels, French-speaking business court 0432.711.951), with Dominique Blommaert as permanent representative, as liquidator of the Company and establishes the remuneration for the performance of the mandate of liquidator at EUR 300 per hour. The general shareholders' meeting resolves that the liquidator shall have the broadest powers provided in articles 2:87 ff. of the Belgian Code of Companies and Associations and explicitly grants the liquidator the power to perform the actions provided in article 2:88 of the Belgian Code of Companies and Associations. The liquidator may grant special or specific powers to one or more persons of its choice, with the power of sub-delegation. The Company shall be validly represented vis-à-vis third parties, in court and in all legal acts, by the liquidator or by any attorneys-in-fact within the scope of their special powers.
